Title of contribution

Contributing Author[1], *Presenting Author*[*,2], and Another
Contributing Author[1,2]

[1]Department, University, Address, City
[2]Department, University, Address, City

Please write an abstract of your presentation that should not be longer than 2 pages. This abstract should be a descriptive and detailed summary of your presentation. The book of abstracts will circulate among the conference participants.

You can reference entries in the bibliography [2] and so [1, 3].

You can use numbered environments

$$AX + XB = C, \tag{1}$$

and reference them (1).

You can also use URLs: www.example.com.

You can use tables and reference them, e.g., in Table 1.

Table 1: A Table.

An	example	table
An	example	table
An	example	table

You can use figures and reference them, e.g., in Figure 1.
